Small Steps in Speech

www.smallstepsinspeech.org

Small Steps in Speech assists children with speech and language disorders by funding supplemental therapies and treatments for individuals as well as grants to charitable organizations who serve children with communicative disorders. Our goal is to give children the chance to better express themselves in the world in which we live.

Zane's Foundation

www.zanesfoundation.org

Zane's Foundation, Inc. is a non-profit 501(c) 3 organization. We help children and adults with special needs by educating their families about beneficial resources that will improve their loved one's academic achievement. We also assist with financial support. Financial support can be designated for things such as: camps, therapies, respite, assistive or adaptive equipment, communicative devices that help to meet daily challenges.

Midwest Council for Children with Disabilities (MCCD)

<http://www.mccdcares.com/>

The Midwest Council for Children with Disabilities was founded in 1997 by a group of small business owners to provide financial assistance to children challenged physically, developmentally or cognitively.

Helping Hand Grant

<http://nationalautismassociation.org/family-support/programs/helping-hand/>

The Helping Hand Program provides families with financial assistance in getting necessary medical treatments, lab testing, physician-recommended supplements and therapies for their child with autism. This program does

not provide funding for iPads, camp tuition, respite care, fencing, trampolines, swing sets, trips to Disney World, etc.

Funding is extremely limited. This program is intended ONLY for parents in DIRE financial need. Do not apply if your annual net income exceeds \$50,000. Helping Hand grants are one-time grants, previous recipients may not re-apply.

United Healthcare Grants for Children with Special Needs

<http://www.uhccf.org/apply/>

The grants provide financial relief for families who have children with medical needs not covered or not fully covered by their commercial health benefit plan. The Foundation aims to fill the gap between what medical services/items your child needs and what your commercial health benefit plan will pay for.
